

SACO

Llevo sacos reutilizabas al supermercado para ser menos derrochador.

I bring reusable bags to the grocery store

Many words in Spanish have multiple meanings depending on where you use them. 'Saco' is an example of such words. When in Spain, 'saco' means large sack, or bag. But, when you are in Central America and the Caribbean, the word 'saco' refers to a coat or jacket.

Se veía muy bien esa noche con su saco formal.

He looked very good that night in his formal jacket.
