## Los días de la semana

Pretend you went on a trip to a farm. Each day that you visited the farm, you saw a different animal. Write the days of the week in Spanish in the column on the left. Then, read the “Yo vi-I saw” sentence in Spanish and draw the farm animals you saw. Pay attention to the number too!

	Yo vi tres patos.
	Yo vi cinco caballos.
	Yo vi nueve pollitos.
	Yo vi doce ovejas.
	Yo vi diez perros.
	Yo vi once cerdos.
	Yo vi 2 _____.
